Date and Place of Birth: 1969 Baghdad.

Scientific Qualification:

- B. Sc. Biology, 1989-1990; from: Department of Biology, College of Education (Ibn Al-Haitham), University of Baghdad, Baghdad, Iraq.
- M. Sc. Biology- Zoology- Parasitology, 2000-2001; from: Department of Biology, College of Education (Ibn Al-Haitham), University of Baghdad, Baghdad, Iraq.
- Ph. D. Biology- Zoology- Parasitology, 2005-2006; from: Department of Biology, College of Education (Ibn Al-Haitham), University of Baghdad, Baghdad, Iraq.

Occupations and Experiences:

- External Lecture: Department of Biology, College of Education (Ibn Al-Haitham), University of Baghdad (1990- 1991), and Department of Biology, College of Women Education, University of Baghdad.
- Secondary School Teacher: Tikrit and Baghdad provinces (1st March 1992 till 27th May 2001).
- Assistant Lecturer: Department of Biology, College of Education (Ibn Al-Haitham), University of Baghdad (27th May 2001 till 7th February 2007).
- Lecturer: Department of Biology, College of Education (Ibn Al-Haitham), University of Baghdad (7th February 2007 till 31th July 2007).
- Lecturer: Department of Biology, College of Woman Education, University of Tikrit (1st August 2007 till 27th November 2007).
- Lecturer: Department of Biology, College of Science, University of Tikrit (27th November 2007 till 8th November 2009).
- Assistant Professor: Department of Biology, College of Science, University of Tikrit (8th November 2009 till 19th December 2015).

- Professor: Department of Biology, College of Science, University of Tikrit (from 20th December 2015 till now).

Courses Delivered:

B. Sc. :

- 1- Histology (In Laboratory only)
- 2- Algae, Bryophyta and Pteridophyta (In Laboratory only)
- 3- Plant Physiology (In Laboratory only)
- 4- Embriology (In Laboratory only)
- 5- Invertebrates (In Laboratory only)
- 6- General Biology
- 7- Public Health
- 8- Food and Industrial Microbiology.
- 9- Invertebrates
- 10- Parasitology
- 11- Parasitic Helminthes

Diploma Study:

- 1- Clinical Parasitology

M. Sc.:

- 1- Advanced Protozoology
- 2- Advanced Helminthology
- 3- Clinical Parasitology
- 4- Immunology of Parasitic Diseases
- 5- Epidemiology of parasites
- 6- Physiology of parasites

Ph. D.:

- 1- Parasites Epidemiology
- 2- Immunity and Immunization to Parasites
- 3- Physiology and Biochemistry of Parasites
- 4- Ultrastructure of parasites

Participation in Symposia and Scientific Conferences:

There are 23 Scientific Conference

Supervision on Higher Studies:

M. Sc. Theses:

13th students. Also, there are two M.Sc. students in the period of research project.

Ph. D. Thesis: Three students. Also, five Ph.D. students in the period of research project.

Published Papers: 36 research paper.

Acknowledgements and Certificate of Appreciation:

= Three from Ministry of Education.

= Three from University of Baghdad.

= 55 from University of Tikrit.

Also, there are 16th certificate of appreciation for the participation in Conferences.

Other work:

1- Member in the editor of Tikrit Journal of Pure Science in 22-May-2016 (no. 7-18-7597) till now.

Mobile No.: 07702882891

Code No.: 00964

Date of Later Revision: 1stSeptember, 2019
