

CURRICULUM VITAE

1- Personal Info

- Full Name: Wahbi Abdulqader Salman
- picture
- Gender: Male
- Date and place of Birth: 20/12/1952
- Marital Status: Married
- Nationality: Irarian
- Current Address :Iraq/ University of Tikrit
College of education
For women
Department of Biology

2- ACADEMIC & Professional Info

- University:- Tikrit College:- Education for women
Department:- Biology

- ACADEMIC QUALIFICATIONS:

Qualification	major	Institution	Country	Grade	Date obtained
B.Sc	Animal Production	College of Agriculture Mousl	Iraq		1978
M.Sc	Reproductive Physiology	College of Agriculture University of Basrah	Iraq		1989
Ph.D	Animal Physiology	College of Agriculture University of Baghdad	Iraq		2000

- Academic rank :

Rank	Date obtained
Assistant teacher	4/6/1980
Teacher	9/5/2000
Assistant professor	27/6/2006
Professor	22/7/2017

- **General major: Animal Production**
- **Specific major: Animal Physiology and Endocrinology**
- **No. of Years served in Iraqi Ministry: 31 years**
- No. of Year served in other Institutions:**

course taught

Postgraduate	Undergraduate
Hematology	Medical Physiology
Endocrinology	Animal Physiology
Reproductive Physiology	Histology
Physiology of Fertility and pregnant	Embryology
Advance Animal Physiology	Biology
Advance Endocrinology	vertebrate
Advance Cytology	Endocrine
Environmental Physiology	Hematology
	Comparative Anatomy of Chordates

- SUPERVISION

MSC. & MA (Masters Degree)

Name of Candidates or Student	Title of Thesis	Examined Date
Nahla Kamal Asaad Tahha	Study of some biochemical parameters and neurophysiology of diabetic patients in Tikrit and nearby cities .	2005
Fatin Abdelwahed Majeed	A comparative study for different jaundice and their affects On some blood components in Kirkuk city .	2005
Waffa Aesa Tuma	Secondary Amenorrhea and its relation to physiological and hormonal status .	2005
Tayser Khalid Ibrahim Al-Bayaty	A comparative study of cardiac diseases, renal failure and anemia on some biochemical and blood parameters in patients in Kirkuk city .	2006
Abd Alhadi Ibrahim Hussein	Effect of fenougreek(Trigonella Foenumgraecum)seeds and black seeds on physiological performance of mammary gland : comparative study .	2008
Madlen Kassem Abass	The physiological effect of number of hormones and blood	2008

	Component in infertile women attending Tikrit hospital .	
Hala Hameed Majeed Jassim	A study of number of physiological and biochemical effectu Of renal calculi in patients from Tikrit city and its suburbs .	2009
Teebah Bader Saber	A study of the physiological and hormonal effect on occurra Of abortion in women in Tikrit city and the purrounding area	2009
Sawsan Taha Ahmed Al-Haddad	Effect of some plants ecxtracts as antioxidant on male rabb Wich exposed to oxidative stress .	2010
Ranya Shaker Mahmood Al-Samaray	Study comparative effect on extracts some plantsof labiatae Hormones progesterone,estrogen and relationship with immun Respons in infected femal rabbets and mice with toxoplasm gondii in stage pregnant .	2010
Aya Saad Yasin Latif	A study of the effect of diabetes – undependentt in some physiological and biochemical standards in some patients in Tikrit and Baiji.	2012
Selma Majed Saad Al-Hamdani	Physiological effect of diabetes mellitus type-II in thyroid gl hormones in Salahaddin governorate.	2012
Marwah Esam Suliman	Study the effect of fetus gender and some physiological variables On the concentrations of certain hormones and other variab on Pregnant blood in Tikrit city and its suburbs.	2012
Dunia Husham Taha	A study of the physiological effect postterm of some hormo and blood compositions of women in Tikrit city.	2012
Amera Abd-almonim Yassen Al-Doori	Effect of poly cystic syndrome on som hormones in women Tikrit City and its surrounding.	2014
Eman Abd Ulkarem Hueish Aqaissy	Physiological effect of gallstones on nitric oxide concentrations and some blood parameters Biochemical and its reflect on the liver function of patients in the Tikrit city and surrounding area.	2014
Khitam Hassan Salih Al-Ha	Study the effect benging prostatic hypertension on some physiological Variables for patient in Tikrit city and its surburb.	2015
Mohammed Ahmed Must Al-Esawy	The comparative physiological impact of sexual activators o some hormones and biochemical concentrations in the male rabbits.	2016
Najat Maolod Jasim	A stady off effect factors physiological on some hormones i	2016

	infertility Women in Tikrit city and its surrounding.	
Esraa Hatem Mehklef	Evaluation of the role of estrogen and testosterone and some ions In patients with atherosclerosis in Tikrit city.	2017
Rasha Jamal Khudhur Al-Jabouri	Study of the physiological effect of some blood pressure medications In concentrations of certain sex and thyroid hormones and Compounds in biochemical in male rats.	2017
Rasha Qahtan Majoal Al-Azzawi	Physiological, chemical and hormonal changes for a number of heart diseases in Kirkuk governorate.	2017
Abdulrahman Aeed Salih	Effect of physical , chemical and tissue for the production of <i>Gundelia tournefortii</i> leaves and the treatment of the rats affected by <i>Pseudomonas aeruginosa</i> .	
Mahmood Thanon Ebrahim Hamad	Comparison of the therapeutic effect of atorvastatin and rosuvastatin on lipids on some physiological variables in male rats .	2018
Sana Mohammed Morshe Al-Bayaty	The effect of high blood pressure and fetus gender in the standards Of some hormones , lipid profile, biochemical compounds in pregnant Women during the last three months of pregnancy in the Tikrit City.	2018
May Khalil Gaffar	The physiological effect on dysmenorrhea in women on some hormones , Biochemicals parameters in Tikrit city.	2019
Hiba Kawan Hameed Al-Azawy	Effect of olive leaf extract on some hematological parameters in the blood serum of male rats induced diabetes mellitus by alloxane.	2019

– SUPERVISION

Post Graduate Level (PHD.)

Name of Candidate	Title of Dissertations	Examined
Ragad Tahssin	The Role of plasminogen activator inhibitor-1 vastatin	

Thanon	And related parameters risk prognostic indicators of a rothrombotic events in the obese middle visceral fats Individuals.	

– Publications:

Published researches / Article	Journal book	Published Date
Evaluation of Arabi semen and its duration with blood Serum and some others common diluters.	Basrah Journal of Agriculture Sciences	1990 3(1-2) PP 49-63
Study the effect of diabetes mellitus on motor and sensory Nerves Velocities in patients in Tikrit city .	Sinttific J. college Of science Tikrit University	2005
The physiological effect of the smoking on blood pressure and Some Blood composition .	Sinttific J. college Of science Tikrit University	2005
A comparative study for different jaundice and their effects on serum Blood bilirubin components in Kurkuk city .	Sinttific J. college Of science Tikrit University	2006
Study of some biochemical parameter of diabetic in Tikrit and its Suburb .	Sinttific J. college Of science Tikrit University	2006
Changes in Activites of alkaline phosphatase and transaminases in Jaundice .	Sinttific J. college Of science Tikrit University	2008
Study effect of some hormones on the infertility in women in Tikrit city.	The sixth Scinentific Conference Tikrit Uneversity/College of Education/Biological Sciences	2009
Comparison the effect of some cardiac diseases , renal failure and Iron deficiency anemia on some biochemical and hematological parameters in patients in Kirkuk city .	Journal Al-Qadisiya	2009
The physiological effects of some hormones and blood components in infertile women attending to TTH .	Conference Tikrit Uneversity/College	2009

	Of Medicin	
Study effect of some Hormone on the infertility in women in Tikrit city .	Conference Tikrit university/College Of Education	2010
Effect of some plants extracts as antioxidant on Male Rabbit Which exposed to Oxidative stress	Conference Tikrit University/College Of Education	2012
A study the level of some hormones and electrolytes of postterm (the tenth month) in Tikrit City and the Surrounding area	The second Scientifics Conference- College Of Science- University of Tikrit	2012
The impact of sex and body mass index in the concentrations of nitric oxide , calcium and some fatty compounds in the blood serum of patients with gallstones in the Tikrit city	8th International Scientific Conference Of college for pure Sciences Biological Science –university of Tikrit	2–3/4/2014
The physiological effect of women polycystic ovarian syndrome on the concentrations of some hormons in Tikrit city and its sarawnded area.	8th International Scientific Conference Of college for pure Sciences Biological Science –university of Tikrit	2–3/4/2014
Effect of Estrogen and testosterone hormones and some biochemical components on male patients of prostatic hyperplasia in Tikrit city.	Scientific J. college Of science Tikrit University	(2015) 20(1)
The physiological effect of infertility in women on some sex hormones and thyroid in Tikrit city and it's surrounded area	Sinttific J. college Of science Tikrit University	(2016) 21(5)
The Physiological Influence of Prostate size and Prostatic Specific Antigen (PSA) on The Concentrations of some Hormones and Biochemical Compounds for Males in Salah Alden Governorate	J. of University of Al-Anbar for pure science	(2016) 10(3)
The Study of Physiological Effect of some Common Male Sexual Activators on Prostate Specific Antigen (PSA) and some Hormones and Lipid Components in The Male Rabbets	Scientific J. college Of Agriculture Tikrit University	(2017) 17(2)
The physiological effect of breast cancer on activity of aromatase enzyme and some concentrations of hormones and biochemical in the women in Baghdad city	Scientific J. college Of science Tikrit University	(2017) 22(5)
Study of the Physiological effects of heart Atherosclerosis on concentrations of some electrolytes, lipid component, sex hormones in Tikrit city and its Governorate	Tikrit Journal of Pure Science	(2018) 23(7)

Study the physiological effect of some cholesterol lowering drugs in concentrations of some hormonal in some parameters in male rats.	Proceedings of the first International Conference Scientifics Third of College Third of College Of Science-University of Tikrit	17-18/12/2018
Comparison study of the effect of certain antihypertensive drugs on some sex hormones in white male rats.	Proceedings of the first International Conference and Scientifics Third of College Third of College Of Science-University of Tikrit	17-18/12/2018
Comparison study of the effect of certain antihypertensive drugs On testosterone and estrogen hormones concentrations in white male rats.	Proceedings of the first International Conference and Scientifics Third of College Third of College Of Science-University of Tikrit	17-18/12/2018
Study of the physiological effect of some different heart diseases in Atrial natriuretic peptide (ANP) concentrations of hormone , Troponin and Nitric Oxide (NO) of patients in Kirkuk Governorate	Indian J. Public Health Research And Development	(1918) 9(12)
The impact of the month pregnant and fetus sex on progesterone and cortisol hormones and lipid profile in the women during the third-trimester pregnancy	Tikrit Journal of Pure Science	(2019) 24 (1)
A Comparison Effect of Dysmenorrhea and Secondary Amenorrhea in the Concentration of Some Biochemical and Some Hormones in Women in Tikrit City	Tikrit Journal of Pure Science	(2019) 24(2)
Determine kind and concentration of <i>Olea europaea</i> leaves ingredients and its effect on glucose induced diabetes and some bloodBiochemicals standards in male rats.	India- Biochemical and Cellular Archives	2019 19 (2)

- ADMINISTRATIVE posts

Major	Institution	Date held
-Head master Of biology Department	Education college for women	6/7/2003-4/4/2014
- Head master of biology Department	Education college for women	6/11/2007 – 8/7/2010

– **Committee**

Committee Type				Position in committee
administration	scientific	financial	Technician	

– **Academic Conference Attended**

Conference Place	Conference Date	Conference Title	Nature of presence
The sixth Scientific Conference Tikrit University/College Of Education/Biological Sciences	2009	Study effect of some hormones on the infertility in women in Tikrit city.	Attendance and participation
Conference Tikrit University/College Of Medicine	2009	The physiological effects of some hormones blood components in infertile women attend TTH .	Attendance and participation
Conference Tikrit university/College Of Education	2010	Study effect of some Hormone on the infertile women in Tikrit city .	Attendance and participation
Conference Tikrit University/College Of Education	2012	Effect of some plants extracts as antioxidant on Male Rabbit Which exposed to Oxidative stress	Attendance and participation
The second Scientific Conference- College Of science- University of Tikrit	2012	A study the level of some hormones and electrolytes of postterm (the tenth month) in Tikrit City and the Surrounding area	Attendance and participation
8th International Scientific Conference Of college for pure Sciences Biological Science –university Tikrit	2-3/4/2014	The impact of sex and body mass index in the concentrations of nitric oxide , calcium and some fatty compounds in the blood serum of patients with gallstones in the Tikrit city	Attendance and participation
8th International Scientific Conference Of college for pure Sciences Biological	2-3/4/2014	The physiological effect of women polycystic ovarian syndrome on the concentrations of some hormones in Tikrit city and its surrounding area.	Attendance and participation

Science –university Tikrit			
Proceedings of the International Conference and Scientifics Third College Third of College Of Science-University of Tikrit	17-18/12/2018	Study the physiological effect of some cholesterol lowering drugs in concentrations of some hormonal in some parameters in male rats.	Attendance and participation
